

Coronavirus Risk

Assessment Checklist - please complete with additional hazards identified if required. Please see HSE guidance for more on coronavirus risk assessments.

Name of group:

Name of person completing form:

Date of activity:

Number of participants expected:

Type and location of activity:

Possible hazards

Who might be harmed?

Control measures in place

Tick when action complete

Contracting or spreading the virus by not washing hands or not washing them properly

Participants, volunteers, general public

Put signs up and/or remind people to wash their hands or use sanitiser if no handwashing facilities available.

Contracting or spreading the virus by people congregating in high traffic areas

Participants, volunteers, general public

Limit the number of people entering a space, put in one-way direction signs, remind people about the need for social distancing.

Contracting or spreading the virus by the sharing of tools and equipment

Participants, volunteers, general public

Discourage sharing of tools and equipment, provide sanitiser and cloth to wipe down any shared surfaces.

Contracting or spreading the virus by not practising social distancing

Participants, volunteers, general public

Remind participants of the need for social distancing at all times and the requirement to wear masks where applicable.

Coronavirus Risk Assessment Checklist

Possible hazards	Who might be harmed?	Control measures in place	Action completed
<p>Somebody displaying <u>coronavirus symptoms</u> during or within 14 days of an activity</p>	<p>Participants, volunteers, general public</p>	<p>1. Ask affected person to cease participation in the activity ASAP and make their own arrangements to contact the NHS.</p>	<input type="checkbox"/>
		<p>2. Have a way for the NHS to contact participants for 21 days post-activity. Keep data securely.</p>	<input type="checkbox"/>
		<p>3. Confidentially alert other participants and volunteers to potential infection risk.</p>	<input type="checkbox"/>
<p>Contracting the virus through performing first aid on a casualty</p>	<p>Participants, volunteers</p>	<p>Be aware of <u>St John Ambulance Covid-19 advice</u> for first aiders. Note: only qualified first aiders to perform first aid.</p>	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
